El Dorado Materials, LLC

Development Alerts - Owner SMS Opt-in

BLANK ENROLLMENT FORM - NOT PROOF OF COMPLETED CONSENT

This optional program sends internal software-development progress summaries and decision, failure, security and budget alerts to the authorized owner/operator. Progress summaries occur every six hours while authorized development is active. Other alerts may arrive sooner. Frequency varies, up to eight messages/day and 200/month. Message and data rates may apply.

Sender: (855) 341-3760. Reply STOP to stop texts or HELP for assistance. Support: connor@eldoradomaterials.com. Delivery may be delayed or fail. Project chat remains available if you decline SMS. Consent is not a condition of purchase.

Read before signing:
SMS Terms: https://development.eldoradomaterials.com/sms/terms/
Privacy Notice: https://development.eldoradomaterials.com/sms/privacy/

[ ] I voluntarily consent to receive El Dorado Materials Development Alerts by SMS at the mobile number I enter below. I have read the SMS Terms and Privacy Notice. I understand that I can revoke consent by replying STOP.

Printed name: _____

Mobile number: _____

Signature: _____ Date: _____

Keep the completed form privately. Do not upload signed forms, mobile numbers or signatures to the public website or public repositories. A blank form does not establish enrollment. Messages begin only after verification and activation.
